Rhythm Tech RT5200 Bongo (RT5200-U)	Rhythm Tech bongos feature a tapered shell which gives them distinctive, crisp highs and warm, mellow lows. The low profile, rounded, ultra-heavyweight rim minimizes the discomfort associated with traditional straight-edged rims. Rhythm Tech Bongos' thin, yet incredibly durable rawhide heads produce greater volume and projection in a wide range of playing situations. Rhythm Tech Bongos have a steel bottom rim that's strong and durable. The rim also provides greater stability to the bongos' tuning lugs, protecting the drum shell while keeping even tension throughout the head. Available in natural oak. ROCKET BASS 115 Powerful Combo - TMP	The 200-watt Ampeg® Rocket Bass® RB-115 combo bass amp offers unparalleled performance, stunning '60s-style looks, and a robust feature set in a light and portable package-making it the ideal amp for practicing, performing, and recording. Like its legendary larger siblings, the RB-115 combo offers classic Ampeg 3-band EQ and Ultra Hi/Ultra Lo switches, which tone aficionados know are critical to sculpting the perfect bass sound. Plus, a newly designed switchable Super Grit Technology™ overdrive circuit with independent Grit and Level controls adds warm and gutsy growl. An effects loop and extension speaker output add flexibility, an auxiliary input lets you play along with external audio, a headphone output ensures you'll be able to practice whenever you like, and the XLR direct output provides a professional connection to a P.A. or recorder. VINTAGE LOOK, MODERN HEART The Rocket Bass RB-115 combo looks every bit as classy as its distinguished heritage demands. The top-mounted controls are not only easily accessible, they help to maintain the aesthetic harmony of the '60-style look, while the amp's light weight and easy portability place it firmly in the modern era. SUPER GRIT TECHNOLOGY (SGT) OVERDRIVE The RB-115 bass amplifier comes equipped with proprietary Super Grit Technology overdrive circuitry, which provides more of the warm and gutsy growl that defines the coveted Ampeg tone. Combined with the famed Ampeg 3-band EQ and Ultra Hi/Ultra Lo switches, SGT enables you to create your ideal bass sound. PRACTICE WHEN YOU LIKE Despite its big and powerful sound, the RB-115 is small and lightweight enough to make it a superb practice amp. An auxiliary input enables you to play along with the external audio of your choice, while a headphone output ensures you'll be able to practice whenever you like without disturbing others.	\$500.00	1.0	\$500.00
